

Organic

Our organic range is the result of carefully selected ingredients, processed with the utmost care.

Our organic corn chips are lightly roasted and fried in high quality oil, giving them that distinctive great flavor. But of course: no tortilla chip is complete without a delicious dip. Made of delicious tomatoes, onions, green paprika and peppers, our organic salsa is a perfect match with tortilla chips.

Let your creativity run wild and fill our tortillas with any food of your liking. Use them in authentic Mexican dishes or replace your traditional sandwich with a wrap.
